

Dear Hiring Manager,

I am writing to express my interest in the **IT Internship (Software Engineering)** position at Bybit Fintech Limited. As a final-year Computer Science student majoring in Software Engineering at Universiti Malaysia Pahang Al-Sultan Abdullah (UMPSA), I am eager to contribute my skills and enthusiasm to your innovative team. My internship availability spans from 10 March 2025 to 22 August 2025, with flexibility to begin as early as 1 March if required.

My academic journey has equipped me with robust technical skills and hands-on experience in software development, emphasizing the Model-View-Controller (MVC) architecture for scalable applications. I am proficient in programming languages such as JavaScript, Java, TypeScript, Python, and PHP, as well as database systems like MySQL and PostgreSQL. My coursework has further strengthened my foundation in software engineering principles, data structures, and database management, skills I am eager to apply in a real-world setting.

Notable achievements and projects include:

- **Internseek:** A final-year project involving a web application built with Laravel, React.js, Inertia.js, and MySQL. The application streamlines the internship search process for students, integrating features like in-system messaging and auto-generated resumes based on user profiles.
- **CodeQuizPro:** A mobile app developed using Ionic, React.js, TypeScript, and Firebase, which earned a Top 10 nominee in the UMPSA X Huawei Mobile App Competition 2023.

I am particularly drawn to this opportunity at Bybit Fintech Limited because of your company's dedication to innovation and its positive reputation as a leading software company. The opportunity to contribute to impactful projects across diverse teams, such as Backend Development, Frontend Development, and App/Mobile Development, aligns perfectly with my career aspirations.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications in further detail. Please find my **resume attached** for your reference.

Best regards,

Sho Ming Kang
